Report of Principal and School Improvement Council

The major goal of D. R. Hill Middle School is to create a safe and positive environment where students develop intellectually, physically, emotionally, and socially. This goal is achieved through a comprehensive curriculum and a variety of programs that meet the needs of the adolescent child. We offer an effective instructional program where research-based strategies are implemented in every classroom.

Many of our students participate in advanced courses, such as Honors Algebra and Honors English, which allow them the opportunity to earn Carnegie units. We also provide programs, such as our clubs, related arts, job shadowing, mentoring, and athletics, that support learning and give students the opportunity to experience topics that are relevant to middle school children. Students are rewarded for their performance through an incentive program that recognizes students weekly for a variety of accomplishments.

In an effort to meet the needs of the entire D. R. Hill Middle School community, we give our stakeholders the opportunity to participate in several school functions. These events include our Parent Breakfasts, PTO Open House, sporting events, and various fine arts performances. We also work very closely with the Middle Tyger Community Center to provide additional assistance for families. We have also partnered with members of the local church community to provide religious instruction for our students through a Release Time program.

The staff of D. R. Hill Middle School consists of a competent and experienced faculty with the common goal of working together to positively impact the lives of our students. Our students, our faculty, and our community are the foundation to our success. We are proud of what we have accomplished, but we have more goals to pursue and more achievements to be earned.
